A433 Tetbury Road safety improvements

Dear Resident,

What: Road closure for road safety improvements

Where: A433 Tetbury Road

When: 20th to 31st March 2023 from 09.30 to 15.30 (excluding the weekend)

On behalf of Gloucestershire County Council, we will shortly carry out highway safety improvements at the above location. The scope of the scheme will include signing and lining works.

To ensure the safety of our crew and residents we will need to **close the road**. We will be working across the three junctions as indicated overleaf. Only one section will be closed at a time as per the order indicated on the map.

We will need dry weather conditions to paint the lines, therefore we allow extra time for works.

However, if weather and operational conditions are good, we expect that each section will take one day only.

Access

There will be **no access to through traffic**. Local access will be maintained when safe to do so, but please expect delays and leave enough time for your journeys as you may be asked to take diversion.

Vehicle diversion

The official diversion route which will be signposted and suitable for all vehicles that would normally use the closed road.

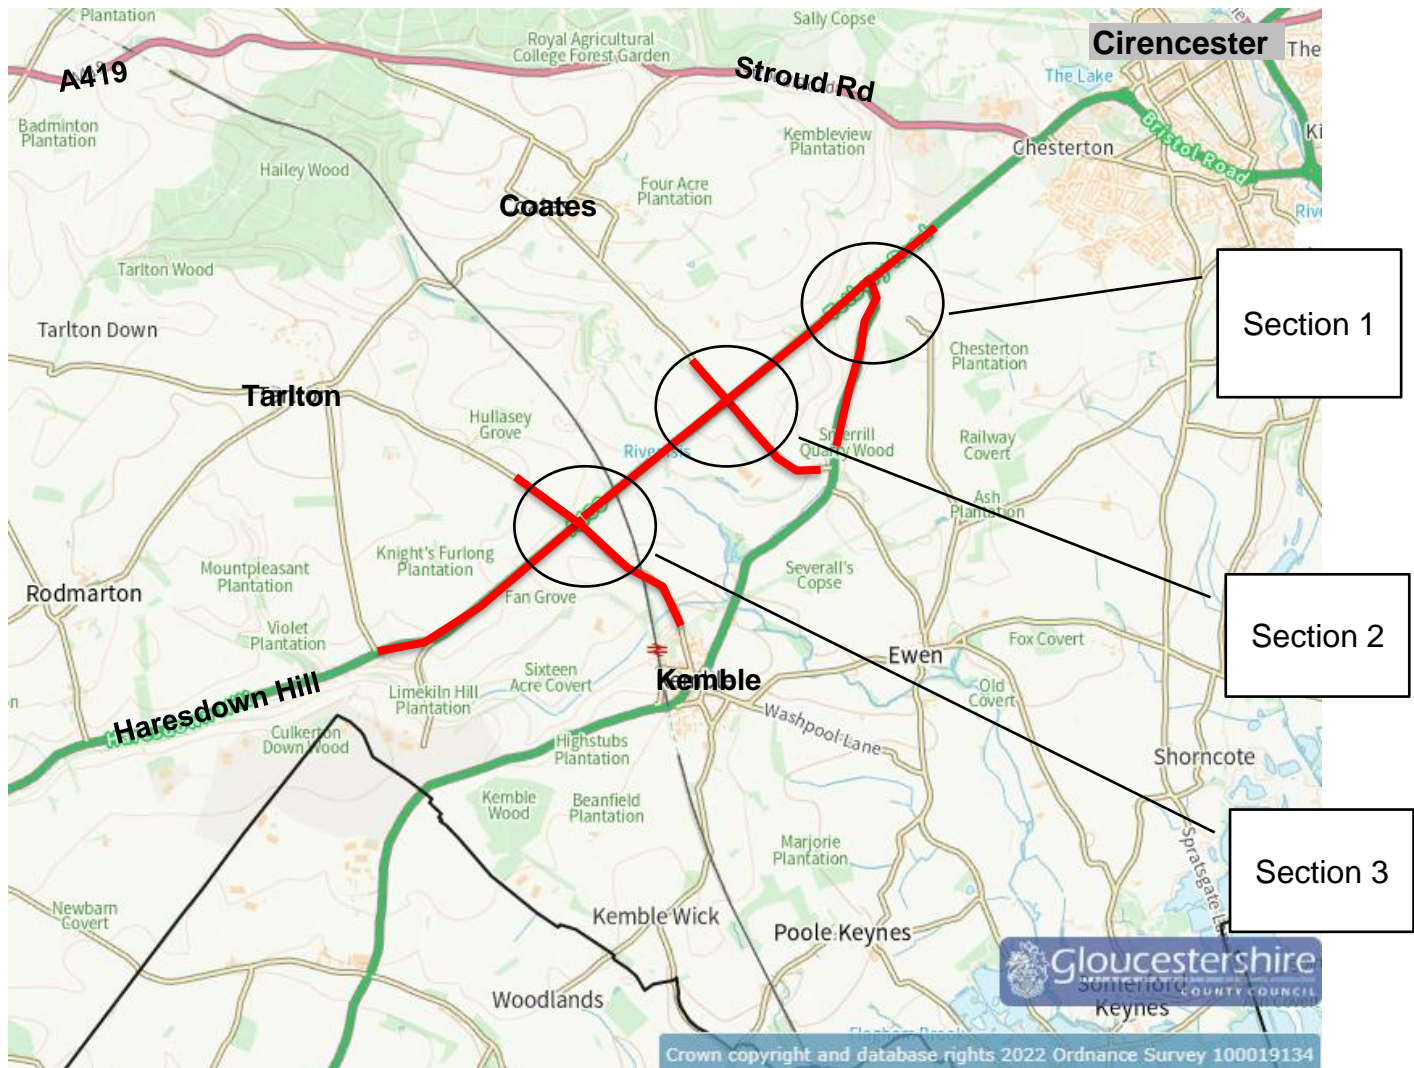

Stay up to date with works

When the works start, you will be able to speak directly with the construction team, who will keep you updated with progress on the works to minimise any disruption to you. We will keep our social media - Twitter @GlosRoads and Facebook GloucestershireRoads updated with any changes.

Thank you in advance for your patience and co-operation. If you have any queries, please email us at highways@gloucestershire.gov.uk.
